## 5 Tips

**1**

**Use a Cheat Sheet**

(Now actual cheating but the whiteboard provided to make notes at the first minutes of the exam)

**2**

**Skip the sims!**

(Skip the Sims and put these at the end)

3

**Take a Guess**

(take a guess if you have doubts. There is no negative scoring)

4

**Pick the best  
time for the  
exam**

(Best it suits you)

5

**Be Confident**

(Be confident)
